Walter G. Reid  
State Water Rights Surveyor

APPROVAL..... OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit to change the manner and place of use of the waters of Narrows Springs as heretofore granted under Permit 9619, Certificate 2335 is issued subject to the terms and conditions imposed in said Permit, Certificate 2335, and with the understanding that no other rights on the source will be affected by the change proposed herein. This permit is issued subject to all existing rights on the source. It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the period of use and the average number of cattle served from the waters of this source. The State retains the right to regulate the use of the water herein granted at any and all times but does not take responsibility for the use of the Federal range.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed.....0.062.....cubic feet per second, or sufficient water  
to water 300 head of cattle.

Actual construction work shall begin on or before.....September 27, 1969

Proof of commencement of work shall be filed before.....October 27, 1969

Work must be prosecuted with reasonable diligence and be completed on or before.....September 27, 1970

Proof of completion of work shall be filed before.....October 27, 1970

Application of water to beneficial use shall be made on or before.....September 27, 1971

Proof of the application of water to beneficial use shall be filed on or before.....October 27, 1971

Map in support of proof of beneficial use shall be filed on or before.....

Commencement of work filed.....

Completion of work filed.....

Proof of beneficial use filed.....

Cultural map filed.....

Certificate No.....Issued.....

Recorded.....NOV 28 1969.....Page.....
